Experience

Storyboard Artist

Oct 2025 - Current

The Coca-Cola Company | Refreshing Films Contest

- Create expressive storyboards that capture story, tone, and brand focus.
- Ensure the board sequence meets guidelines and production standards.
- Deliver revisions promptly based on client feedback.

Production Assistant

Feb 2025 - Current

SCAD Animation Studios | Daughter of The Sea

- Manage executive calendars and coordinate production schedules.
- Prepare materials and distribute notes for a multi-department meeting.
- Track assignments and deadlines to keep production workflow efficiency.

Storyboard Supervisor

Sept 2022 - Current

Studio Gearhead | Rebecca Sanchez: La Chica Mas Fuerte Del Mundo!

- Directed the storyboard pipeline from thumbnails to finalized sequences.
- Mentor junior artists on staging, pacing, and expressing character acting for quality consistency.
- Worked closely with the director to define the film's visual tone.

Concept Artist

Jun 2025 - Sept 2025

Luxark | Unannounced Game

- Designed characters with strong silhouettes and variations that support gameplay and visuals.
- Delivered assignments within tight deadlines and ready for the following stages of the production process.

Animatic Editor

Jan 2025 - Jun 2025

DreamArc Studios | Aurora

- Refined storyboards into timed animatics that follow the scenes mood.
- Integrated and implemented the director's notes efficiently.

Script Supervisor & Storyboard Artist

Jan 2024 - Jun 2025

Haus of Luce | The Cullen Chronicles 1935

- Maintained script continuity and managed production revisions.
- Developed cinematic boards that enhance the visual narrative.

Storyboard Artist

Mar 2024 - Apr 2024

UNCSA | Spitting Image

- Produced boards with dynamic staging for a one-shot short film.
- Emphasized clear storytelling and strong character performances.

Lead Visual Developer

Jun 2022 - Jun 2023

SCAD Animation Studios | Brew Who

- Developed early concept art to define the film's visual direction.
- Organized design assets to support collaboration across production.
